JCCNV BASE Program: More Than Just Child Care!

The Before and After School Enrichment (BASE) Program offers a myriad of opportunities to engage your child each day. In addition to quality care, the following activities are available at no additional charge:

- free swim twice a week in the JCCNV's 25-meter heated indoor pool
- quiet homework room with staff assistance
- daily organized art, cooking and science projects
- free play on our playground and in our gym
- organized sports activities

For an additional fee, enrollment is available for a variety of classes and lessons. No extra driving for you, we take care of getting students to and from each activity.

Courses include:

- piano, violin, viola, and guitar instruction
- dance and sports classes
- private and group swimming lessons
- enrichment classes
- tutoring

The After-Kinder Program

Kindergarteners enjoy this program which is available Mondays after early release to 3:30pm and Tuesday through Friday following AM kindergarten to 3:30pm.

The After-Kinder Program offers a wonderful transition from preschool to full-day elementary school. Our teachers provide a loving and creative environment. Upon arrival at the JCCNV, children enjoy lunch together. After lunch, students enjoy swimming, gym time, creative play and organized art and cooking activities.

After-Kinder students who attend Wakefield Forest Elementary ride the Fairfax County school bus that stops at the JCCNV. Contact the Wakefield Forest office to arrange for your child to ride the bus. Transportation is available for After-Kinder students from Canterbury Woods for a transportation fee of \$65/month.

The BASE-ic Package: Keep It Simple!

With one registration and one monthly fee, you will receive the BASE-ic Package which includes Monday through Friday after school BASE/Off-BASE (mornings also available at an additional cost) and ALL Fairfax County and Geshar vacation days, teacher workdays, snow closings and delays.

The Off-BASE Program

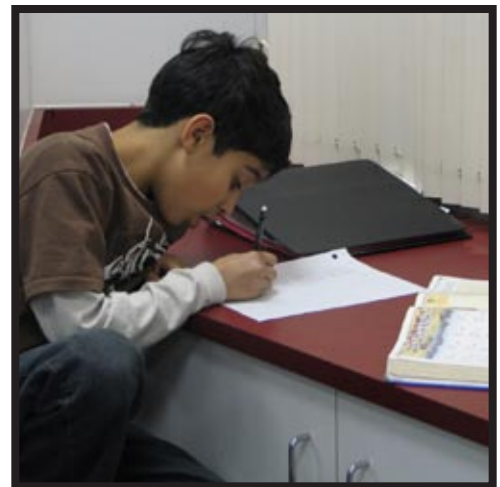

For 7th and 8th graders who need less supervision, this program requires that students check-in with the BASE program upon arrival at the JCCNV. While Off-BASE students are free to spend their afternoons anywhere in the building, they are encouraged to make use of our Off-BASE Lounge, a special room designated for them and outfitted with comfy furniture, a stereo system and snacks.

BASE When You Need It!

The BASE program isn't just in session on school days. We offer full-day care from 7:30am to 6:00pm on school vacation days and snow days, and extended hours when school is delayed or dismissed early due to weather. Our Winter and Spring Break Programs include field trips, guest performers and themed programming.

Inclusion BASE

For children with special needs, the JCCNV is proud to offer our Inclusion BASE Program on Tuesdays and Thursdays. Please contact Dana Chilbert at (703) 537-3031 or DanaC@jccnv.org for interviews and more information.
