

class descriptions

Aqua Zumba®: Utilizing the benefits of water resistance, this class, in the shallow area of the pool, features exotic rhythms set to high energy Latin and international beats.

Basic Sculpt: 30 minutes of seated strength training using light hand weights, resistance bands and exercise balls. For the true novice or someone returning to exercise!

BURN combines elements of cardio, strength, core, and interval training to boost your heart rate and get your muscles burning! Expect squats and lunges, pushups, kicks, punches, planks, crunches, and options to jump.

Cardio Cycling: Build endurance and increase cardiovascular fitness as your instructor takes you on a ride on stationary bicycles.

Cardio Dance/Dance Fusion: Come dance away the calories in a class with music from every era and every genre. You'll see how much fun a cardio workout could be.

Cardio Kickboxing: This is a high energy martial arts and aerobic style workout that finishes with toning — low and high impact options are given.

Cardio Light: For those who want a 45-minute full body workout to great music. Must be able to follow an 8-10 minute aerobic warmup. Includes seated strength training using lightweights, resistance bands, exercise balls, and balance/coordination standing exercises.

Cardio and Sculpt: Meet friends for this 60-minute full body workout beginning with a 20-minute aerobic cardio warmup. Lightweight, basic strength, and tone exercises. Must be able to stand from the chair for squats and deadlifts.

Core Beginner: For those who choose not to be on the floor, a full standing class holding onto the barre focusing on balance, posture, and flexibility.

Core Intermediate: Increase your core strength while giving your back more flexibility. Learn how to engage your core properly to increase strength, control, balance and posture.

Core Advanced: A fast paced athletic core workout for the avid exerciser.

Doonya Bollywood Fit: Dance and burn calories to Bollywood music! It takes the same energizing spirit of Bollywood, and gives it a fitness twist, creating a full-body cardio workout that keeps you moving and smiling the entire way though.

FUNctional Fitness: A full body workout! A NASM certified Personal Trainer will lead you in a full body workout using bodyweight exercises in interval style training. For those who want to experience a fun, high-intensity hour of exercise.

Water Aerobics: This water aerobics class is performed in the shallow area of the pool. It's a safe resistance for aerobic conditioning, perfect for the joint-sensitive individual.

Line Dance: A line dance is a choreographed dance with a repeated sequence of steps in which a group of people dance in one or more lines or rows.

Pilates: The classes will include a warm-up of the body and joints, classic mat exercises with an emphasis on core strength and balance, followed by stretching.

Power Hour: 30/30: This class is for those who want the benefits of cardio and strength training. Must be able to follow 30 minutes of aerobic warmup, lift 3 pound weights seated or standing, and perform basic balance exercises including: squats, lunges, single leg toe-touches and shoulder raises. Feel the power of health!

Stretch: A relaxing class focused on lengthening your body and reducing stress. Each class finishes with a short meditation.

Super Sculpt: A 45-minute advanced strength workout for those who have been consistently exercising at least 3 days a week, can lift 5-12 pound hand weights, and can properly perform full squats, lunges, sit-ups, planks, and push-ups.

Zumba®: Exotic rhythms set to high-energy Latin and international beats.

Zumba® Gold: Latin music with modified moves and pace to suit the needs of the active older participant and those just starting their fitness journey.
